ABOUT US

Hill Cosmetic was established in Ankara in 2015. With its expert team, it carries out its activities in Turkey and abroad for the design, production, marketing and sale of medical, cosmetic, dermocosmetic products. When it comes to cosmetic products, it has advanced its research in this direction by keeping the health issue at the forefront, and it produces by using HPT (Herbal Production Technology) for every product produced within the company. In other words, the ingredients of the products produced within the company are 90% herbal. All dermocosmetic test processes of its products have been completed and certificates are available.

Under its own structure, La'bor, Dr. Bee, Moringa brands are available. It provides the production, marketing, domestic and international sales of the products of these brands. Apart from its own brands, Hill Cosmetic also manufactures PL products for domestic and international brands. Hill Cosmetic has a wide portfolio of hair and hair care products, skin and skin care products, body and soap products, sun products, baby and baby care products etc. for all the cosmetic products you want .

moringa
CREAM

WHITENING CREAM

50ml.

2% Niacinamide, Korean Formulation, Herbal Ingredients

The cream is specially formulated in Korea. It has a whitening effect for intimal, armpit, face, knee and elbow darkening. Thanks to the intense vitamin C it contains and the moringa plant extract brought from India, it gives the skin a uniform appearance in the first use. It brightens the skin. With regular use, it helps to lighten skin up to 5 tones. It is used with peace of mind in the intim area that darkens from waxing. It is good for underarm darkening. You can use it as you wish thanks to its pH balancing feature in whichever part of your body there is darkening. In addition to all these features, it also nourishes your skin and makes it look more lively. It contains 2% vitamin B3. Niacinamide (Vitamin B3) also protects the skin from damage caused by ultraviolet rays. Provides visible lightening of dark spots within 21 days. It fights age spots. It is used to remove scars. It allows the skin to retain moisture. It creates a barrier against external influences. Regulates sebum production, which has important implications for acne treatment. Available for all of skin types.

Usage: It is applied a little cream twice a day by gently massaging your area where you need it.

Ingredients: Aqua, Glyceryl Stearate, Peg-100 Stearate, Glycerin, Cetearyl Alcohol, Cetyl Alcohol, Niacinamide, Polysorbate 20, Cyclopentasiloxane, Moringa Oleifera Leaf Extract, Carbomer, Tocopheryl Acetate, Citrus Sinensis Peel Oil Expressed, Phenoxyethanol, Ethylhexylglycerin, Oryza Sativa Extract, Lactic Acid, Parfum.

WHITENING INTIMATE WASH GEL

Whitening Effect, Cleansing Deodorizing Herbal Ingredient

12m

200ml.

Moringa Whitening Intimate Wash Gel cleanses skin deeply without scrubbing. With its special formula, it helps to lighten the skin, to lighten the skin color.

It is suitable for all skin types.

It is formulated with the plant extracts in its content to ensure cleaning without disturbing the intimal flora. With its special components, it prevents intimal darkening and provides a single-toned appearance. Tea tree plant extract and Bisabolol reduce irritation and prevent odors caused by external factors.

Using it together with Moringa Cream increases the effect and provides faster results. Moringa series formulas were developed in Korea and its main target effect is skin whitening.

Usage: Take a small amount of gel in your palm twice a day. Apply by foaming with water and gently massaging your area. After waiting for a few minutes, rinse with water.

Ingredients: Aqua, Sodium Laureth Sulfate, Cocamidopropyl Betaine, Cocamide Dea, Glycerin, Moringa Oleifera Leaf Extract, Aloe Barbadensis Leaf Extract, Sodium Benzoate, Bisabolol, Calendula Officinalis Flower Extract, Hamamelis Virginiana Leaf Extract, Parfum, Potassium Sorbate, Sodium Chloride, Melaleuca Alternifolia Leaf Extract, Tetrasodium Edta, Lactic Acid.

ANTI-BLEMISH & RALLY S.O.S GEL CREAM

50ml.

6m

Collagen, Hyaluronic Acid

La'bor Anti-blemish&rally S.O.S Gel Cream removes skin blemishes with its intense rice extract and equalizes the color tone of skin. With the vitamin C and citrus extracts it contains, it prevents brown spots, acne spots and sun spots on the skin, and acne and acne formation thanks to lactic and salicylic acid. It helps to shrink the appearance of pores and provides a fresh look. In addition, collagen and hyaluronic acid in its content increase the elasticity of the skin.

Usage: It is used by applying some amount of product to your skin in the opposite direction of gravity, from the inside to the outside, in the morning and evening.

It creates a more effective result when used with La'bor Anti-Blemish Face Cleaning Foam.

Ingredients: Aqua, Lavandula Angustifolia Flower Water, Niacinamide, Glycerin, Rosa Canina Fruit Extract, Propylene Glycol, Oryza Sativa Bran Extract, Vitis Vinifera Seed Extract, Arbutus Unedo Leaf Extract, Citrus Limon Fruit Extract, Collagen, Hyaluronic Acid, Bambusa Vulgaris Extract, Citrus Grandis Fruit Extract, Boswellia Serrata Extract, Panthenol, Caffeine, Salicylic Acid, Parfum, Carbomer, Phenoxyethanol, Ethylhexylglycerin.

ANTI-BLEMISH FACE CLEANING FOAM

Collagen, Hyaluronic Acid

6m

150ml.

La'bor Anti-Blemish and Anti-Acne Facial Cleansing Foam, with its lactic, salicylic acids and intense rosehip extract, prevents the formation of acne and pimple by tightening the pores while cleaning your skin. Thanks to the vitamin complex in its formula, it opens the skin spots and the face gains a brighter appearance in the first use. Thanks to its foam form, it also provides ease of use. With HPT technology, it targets problems and reduces the appearance of blemishes. With fruit and milk acids, it purifies the skin from dead cells.

Usage: Morning and evening, the foam is squeezed into the palm of the hand and applied to the skin. Wait a few minutes and rinse. It creates a more effective result when used with La'bor Anti-Blemish&Rally S.O.S Gel Cream.

Ingredients :Aqua, Sodium Laureth Sulfate, Lavandula Angustifolia Flower Water, Cocamidopropyl Betaine, Glycerin, Cocamide Dea, Oryza Sativa Bran Extract, Trideceth-9, Propylene Glycol, Solanum Lycopersicum Fruit/Leaf/Stem Extract, Camellia Sinensis Flower Extract, Niacinamide, Hyaluronic Acid, Melaleuca Alternifolia Leaf Oil, Panthenol, Centella Asiatica Leaf Extract, Collagen, Rosmarinus Officinalis Flower Oil, Rosa Canina Fruit Oil, Salicylic Acid, Citrus Limon Leaf Oil, Lactic Acid, Zinc Sulfate, Bisabolol, Ethylhexylglycerin, Phenoxyethanol

ANTI CELLULITE CRACKED SKIN GEL

150ml.

12m

Gotu Kola, Caffeine, Collagen and Plant Extracts

Thanks to its strong content, it helps to reduce the appearance of cracks and orange peel on the skin, while at the same time it moisturizes the skin. It helps to improve the skin contour caffeine, collagen and plant extracts. With purified algae and algae extracts, it tightens the skin and accelerates fat burning, making the skin look thinner. The product is 95% herbal extract. Available for all of skin types.

Usage: It is applied once a day to the required area by massaging with disposable gloves. In order to accelerate the function of the product, the application area can be wrapped with a stretch film and left for 10 minutes. After removing the stretch film, the body should not be washed. Due to the formulation of the product, the skin may become warm during this period. The amount of warming may vary depending on the skin type and the amount of application.

ANTI-AGING CREAM

Collagen, Plant Extracts, Hyaluronic Acid

6m

50ml.

It instantly tightens and allows you to get rid of deep lines and wrinkles with regular use. Thanks to the 5 percent collagen, hyaluronic acid and peptides it contains, the skin always stays young and looks lively. It creates an instant botox effect on the skin. With regular use, it reduces the eye contour, expression lines and sagging by 80%. It has been dermatologically tested and does not cause any allergies. It fixes the sagging on the face. Since it is a water-based cream, it moisturizes without greasing. It restores the lost volume of the skin and makes it plump. It has an anti-aging effect by moisturizing the skin with hyaluronic acid, helping to increase flexibility and tension. The high amount of collagen in our product will prevent signs of aging, wrinkles and loss of elasticity. New generation vitamin C used, its absorption is aimed at providing a fast and immediate effect.

Usage: It is used by applying some amount of product to your skin in the opposite direction of gravity, from the inside to the outside, in the morning and evening.

Ingredients :Aqua, Cetyl Alcohol, Glyceryl Stearate, Dicaprylyl Carbonate, Collagen, Cetearth-20, Glycerin, Citrus Grandis Peel Extract, Allantoin, Butyrospermum Parkii Butter, Persea Gratissima Oil, Cetyl Palmitate, Cetearth-12, Panthenol, Hyaluronic Acid, Arctostaphylos Uva Ursi Leaf Extract, Tocopheryl Acetate, Boswellia Serrata Extract, Laminaria Angustata Extract, Parfum, Phenoxyethanol, Ethylhexylglycerin.

ANTI-DARK EYE CONTOUR CREAM

30ml.

6m

Vitamin C, Cucumber Extract, Cherry Kernel Oil

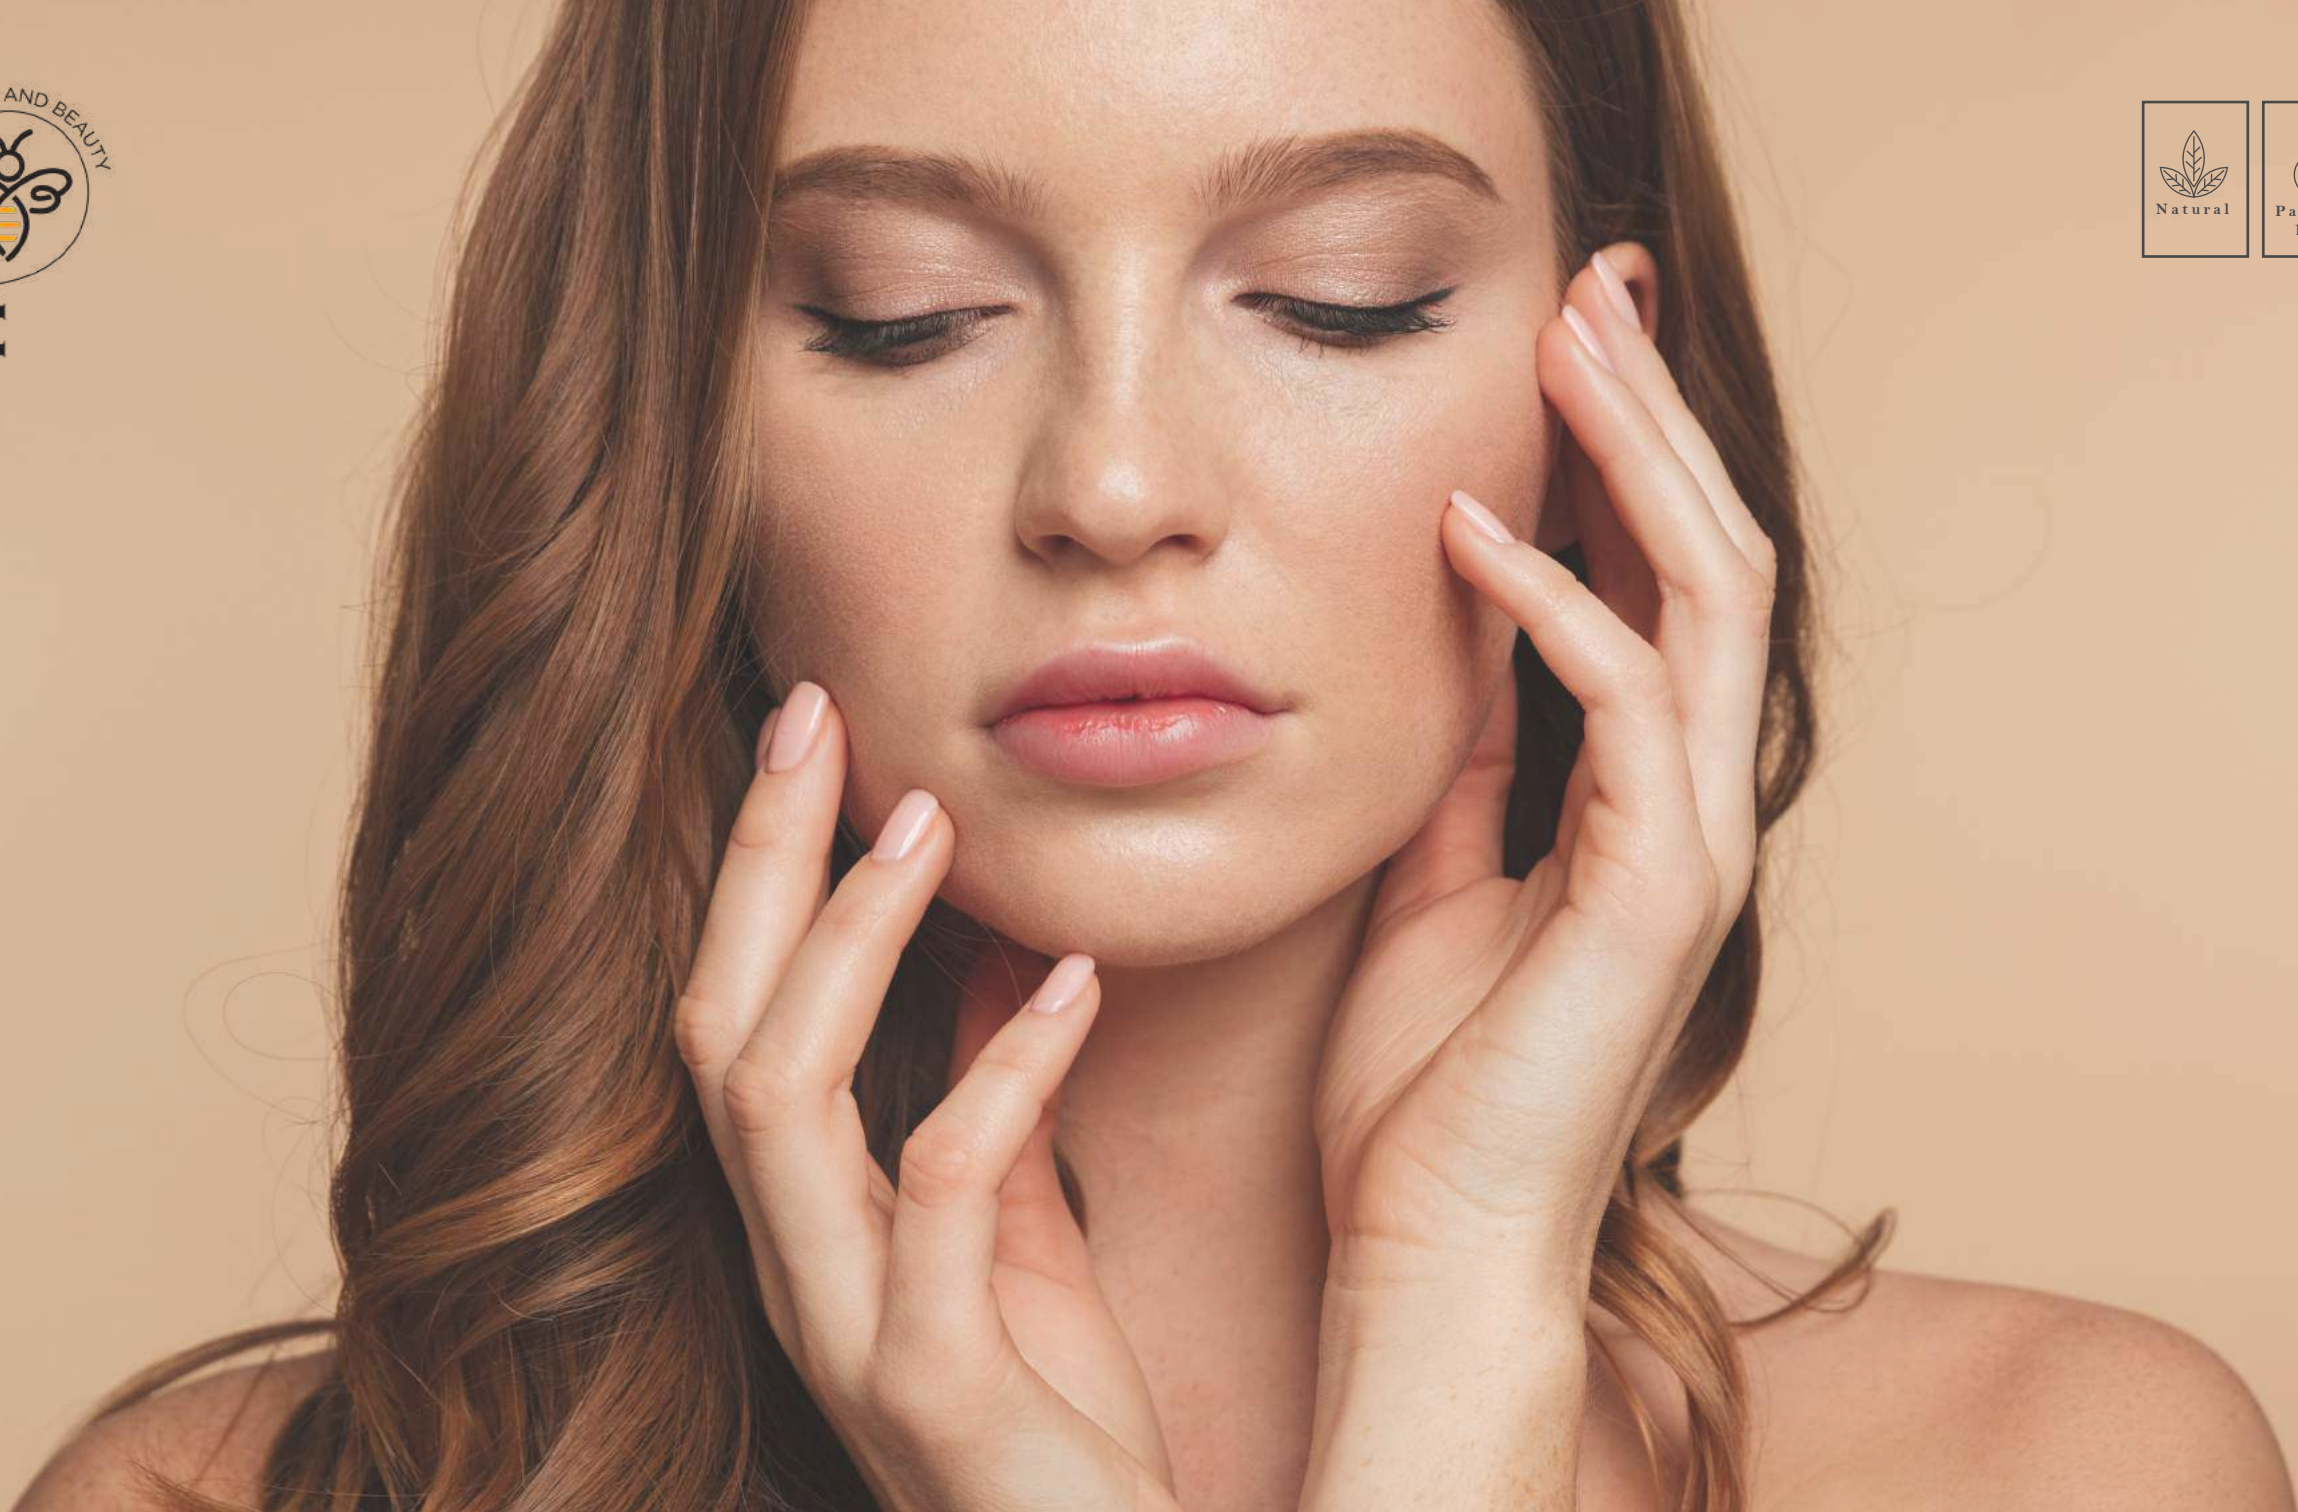

With its intense vitamin C and plant extracts, it is a perfect product for under-eye bruises, dark circles and bags. At the same time, with the allantoin it contains, it soothes the skin and erases the tired look under the eyes. And at the same time, it starts to take effect from the first use. With arnica extract, it whitens the eyes without sensitizing them and destroys the dark look in regular use.

By protecting the skin from environmental factors, it aims to eliminate line formation, wrinkles and under-eye bags with its special active complexes. It provides a more renewed, bright and healthy eye area appearance. Thanks to the new generation vitamin C used, its absorption is aimed at providing a fast and immediate effect.

Usage: It is applied a pea-sized product under and around the cleaned eye in the morning and evening. It is applied it with fingertips, hitting it slightly from the inner corners of your eyes to the outer corners. Available for all of skin types.

Ingredients : Aqua, Cetearyl Alcohol, Glyceryl Stearate, Ascorbyl Tetraisopalmitate, Cucumis Sativus Extract, Niacinamide, Aloe Barbadensis Leaf Extract, Neopentyl Glycol Diheptanoate, Dicaprylyl Carbonate, Prunus Cerasus Seed Oil, Aesculus Hippocastanum Extract, Glycerin, Arginine, Caffeine, Prunus Amygdalus Dulcis Oil, Cetareth-20, Camellia Sinensis Leaf Extract, Phoenix Dactylifera Fruit Extract, Titanium Dioxide, Cetareth-12, Cetyl Palmitate, Parfum, Phenoxyethanol, Ethylhexylglycerin.

CLEAN SERUM

30ml.

6m

Tea Tree Extract, Chamomile Extract, Nettle

With the plant extracts and intense vitamins it contains, it makes your skin look single-toned. It provides a clean and radiant skin that you will feel even after the first use. While it reduces the appearance of blemishes with its unique combination of vitamin C, it helps to visibly reduce blackheads, acne spots and color unevenness on the skin thanks to the powerful herbal extracts it contains.

Rosemary Extract: This rich oil, which ensures the equalization of skin color, reduces the appearance of blemishes and provides a flawless appearance to the skin.

Tea Tree Extract: Repair blemishes and excess oil on your skin with natural tea tree oil, which gives visible results within a week without drying the skin. It helps tighten the pores and reduce the appearance of blemishes and blackheads. Tea tree oil is also used on acne scars. **Chamomile Extract:** Containing intense vitamin E, chamomile oil meets the moisture needed by the skin and calms the skin. It helps to reduce redness and blemishes after acne with regular use. Evens out skin tone and fights blemishes.

Stinging Nettle Extract: It helps to tighten your skin and remove the wrinkled appearance. It allows the pores to breathe and allows the product to give results faster. It prevents the formation of acne with peeling effect on the skin. Also, it provides more radiant and single tone appearance on the skin.

Usage: Apply the product you receive with the help of a dropper the size of nuts to the area you need. Dispense with a light massage.

Ingredients: Aqua, Alcohol Denat., Glycerin, Propylene Glycol, Hydroxyethylcellulose, Rosmarinus Officinalis Leaf Oil, Melaleuca Alternifolia Leaf Oil, Urtica Dioica Leaf Extract, Salicylic Acid, Citrus Limon Fruit Oil, Lavandula Angustifolia Flower Oil, Chamomilla Recutita Flower Oil, Phenoxyethanol, Ethylhexylglycerin.
